Intelmarx wins Young and Upcoming Business Award

Editors of Business Publication 'Pennsylvania Business Central' picks Intelmarx from its "Top 100 Businesses in Central PA"

Lock Haven PA – May 16, 2008 – Intelmarx has been named the Young & Upcoming Award winner by the PA Business Central Newspaper. The company is among four other award winners, including Congressman John Patterson, winner of the Entrepreneurial Hero Award; Penn College, winner of the Economic Development Award; The Hartman Group, winner of the Small Business Award; and Phyllis Bandstra of Goodwill Industries of Conemaugh Valley, winner of the Women/Minority Award.

The award was presented at an awards luncheon held at Lock Haven University on Friday, May 16th, 2008. Guests included the newspaper's Top 100 People and Top 100 Businesses, as well as individual award winners.

Benjamin Mazur, founder and Chief Creative Officer at Intelmarx accepted the award on behalf of Intelmarx. He said, "Accepting this award today caps off probably the greatest week of my professional career." Intelmarx had just launched a website for the Hershey Center for Applied Research on Wednesday, May 14th, 2008.

Harry Zimbler, Editor and Publisher for the PA Business Central, was the Emcee for the awards presentation. He remarked that "We chose Intelmarx because of the important and amazing work that they do every day. Here is a company you would think would be in Silicon Valley or in Seattle, Washington but they are here in Central PA."

About Intelmarx, LLC

Intelmarx is a software solutions and services company whose primary market is non-profit organizations and higher education institutions. Three proprietary software applications developed by Intelmarx create a complete enterprise solution for non-profit and higher education organizations, associations, faith-based groups and other organizations to help them use the Internet to take relationships to new levels. The company delivers a full suite of online constituent relationship management (eCRM) solutions through a Software as a Service (SaaS) model, along with professional

services and support that helps non-profits achieve extraordinary results in fundraising, advocacy, outreach and other forms of mission-critical support. An industry pioneer in online marketing, Intelmarx is developing a community of clients, partners and employees that share ideas, foster innovation and work together to elevate online marketing and the non-profit community as a whole.
